

Chairman's Chat

The Snowman & his Dog switched on **Christmas in Camborne Lights** and brought many thousands of children and adults into town to enjoy the festivities - despite the morning weather. Camborne's famous **Christmas tree** looks great again this year and Santa is waiting for you in Cross Street to take a photo with your children sat beside him. Christmas in Camborne continues with **FREE parking** at Rosewarne car park every Saturday and Sunday up to Christmas. The Children's Lantern Parade will be on Thursday December 17th with events starting from 4.45pm.

Sponsored by Camborne Chamber of Commerce, **Father Christmas** was giving children FREE presents at the Switch On and will be in his grotto at Trevithick Market from 10am to 4pm on Saturdays November 5th, 12th and 19th giving away **FREE presents** to children

In the November Town Crier we reported traders in Camborne experiencing a quiet October. We were not alone - it was the same throughout the UK so let's hope that business is great leading up to Christmas

Regeneration at Tyacks Hotel is going very well. The new Unicorn Bar opened on November 27th with its own menu, multiple drinks promotions, plus the latest TV technology, to make a very exciting modern bar for you to 'chill out' in Camborne. And improvements continue - scaffolding is up for roof replacement.
